**REASONS FOR REQUEST TO WITHDRAW AS PATENT ATTORNEYS OF RECORD
UNDER 37 C.F.R. § 1.36(B)**

S I R:

Please consider the Request to Withdraw as Attorney or Agent and Change of Correspondence Address in view of the following remarks.

REMARKS

Attorneys' client, Institute for Scientific Research, Inc., has assigned the above referenced invention back to the Inventors. This assignment has been recorded with the USPTO concurrently with this request. Attorneys now seek to be removed as counsel in the above referenced case.

Attorneys have notified the inventors of Attorneys' intent to withdraw as counsel in the above referenced case closely following the filing of the RCE in this case on May 7, 2007. Attorneys have also recommended Inventors seek new counsel, and have offered to assist them in finding new counsel that would be geographically closer to, as well as more financially accessible to, Inventors.

The inventor who appears to be the most proactive in this case is the first named inventor, Ms. Jamie Brewer-Miller, who lives in West Virginia. Accordingly, Attorneys have supplied Inventors with contact information for several registered patent attorneys associated with law firms in the West Virginia area. We have also prepared a response to the outstanding Office Action, and have filed it with the USPTO as instructed to by the inventors. Accordingly, should our request for withdrawal be granted, Inventors will have more than ample time in which to procure new counsel to assist them with any future Office Actions or other requirements in this case.

Respectfully submitted,
